

Lumber Yard, 129 Miller
Ave, Mill Valley, CA 94941

about us

Nestled in the heart of Mill Valley, California, Redwood Thimble is here to teach your child how to sew, and give them the confidence to create projects they feel proud of.

Redwood Thimble was founded by two Mill Valley mothers with the goal of teaching the fundamentals of machine sewing and helping children explore their creativity.

After-school sewing classes are taught for children of all ages and are located at Once Around craft store in the Mill Valley Lumber Yard.

✂ Learn to
sew
✂ Make new
